Randy's Remarks

"A society grows great when old men plant trees
in whose shade they know they shall never sit."

One of my favorite Greek Proverbs reads,
"A society grows great when old men plant trees
in whose shade they know they shall never sit."

There are so many truths wrapped up in this
simple phrase. As I think about the last nineteen
years at Allendale, I have enjoyed and benefited
from what was "planted" years before my arrival.
From Marie Allen providing the first plot of land
for a Christian Camp to the Camp Directors,
Board members, and volunteers who set the
standard high. They "planted the seeds" of
prayer, financial support, physical labor, and
discipling campers. Allendale's current ministry
impact is the "shade" of their endeavors. As in
the past, this newsletter contains a listing of
memorial and honor gifts provided in the name

of loved ones and close friends. We are humbled
and appreciative to be chosen as the recipient
of these gifts. In many cases, the individual has
communicated to their loved ones their desire
to bless the camp at the time of their passing.

Both Tim Willoughby and John Dingman cared
deeply about Camp Allendale and our impact
on the lives of children. This love was evident
to their families. John served on the camp
board, was president of the CDCMF Men's
group, and provided many hours assisting with
building and grounds projects. Tim's family has
been associated with the camp for generations.
His wife Pam was a camper and their daughters
both attended and worked at Allendale.

Nancy and I will step away from an active role
here at camp this fall, but we will not step away
from our prayer and financial support of this
ministry. We have also made it clear to our
children that we have included the camp in our
estate plan. I ask each of you to consider how
you might leave a legacy gift as well. There are
many more "trees" that need to be planted and
as long as the Lord tarries there will be more
generations that will need the "shade" of Camp
Allendale to grow in their faith.

Max's Minute

"But just as he who called you is holy,
so be holy in all you do."

Can you believe it? We are only a few months
away from having campers here at Camp
Allendale for the 2024 summer season. While
Randy took some time to reflect on those who
went before us, those who gave, and continue
to give, I want to talk a little about what I see on
the road ahead for Camp Allendale.

With a rich history of fulfilling this mission,
many individuals have benefited from the
programs we have offered. However, what some
may not realize is the significant growth and
development the camp has undergone in recent
years. Over the past 5 to 10 years, Camp
Allendale has witnessed the construction of

three new buildings, transforming the summer
camp experience and providing spaces for
spiritual encounters beyond the summer season.
Currently, we are amidst the "Refresh Renew
Restore" campaign which addresses much-
needed maintenance for our older buildings.
As part of this initiative, our kitchen project
involves the relocation and reconstruction of the
walk-in cooler and freezer, both dating back to
the 1970s. This upgrade not only enhances
efficiency with larger units but also reclaims over
100 square feet in our kitchen space.

I invite you to join me in prayer as we seek His
guidance for the camp's future. I eagerly

anticipate the upcoming summer season to
witness our core mission of providing a dynamic
environment for people to engage the living God
to be displayed daily.

To conclude, the road ahead at Camp Allendale
is going to be filled with exciting growth and
expansion, but even more importantly, the
future will be filled with opportunities for
people in our area to encounter Christ for the
first time or deepen their relationship with Him.

"In His Grip" - Philippians 3:12

CAMP ALLENDALE 2024

2024 SPRING Keenagers

Tuesday May 14
10:00 am - 2:30 pm

Location of original freezer

East side of Dining Hall

Bakery Room

Progress is rapidly advancing on the Dining Hall project. Linda and Josiah, our cooks, have completed their kitchen setup and have successfully moved into the new fridge and freezer. Mike, Paul, and many others have refreshed the spots where the original fridge and freezer were located, including installing new drywall, paint, tile, lights, and more.

Additionally, the decking on the east side of the building has been removed along with one tree to facilitate the construction of a new deck and a sidewalk, which will improve accessibility for everyone. To those who have contributed to this campaign and made these upgrades possible, thank YOU!

Summer Volunteer Needs

Camp Allendale's ministry can only happen because of volunteers like you! To sign up or learn more, call the camp office at (317) 878-4400 or visit camp-allendale.org/volunteers

Kitchen Assistants

Kitchen Volunteers help with general food prep duties, dining hall set up, washing dishes, and serving meals. Kitchen assistants are extremely helpful to us in the summer months. There is a morning shift (9:30AM to 1:30PM) and an afternoon shift (2:30PM to 6:30PM). You choose the day and the time frame that works best for you.

Opening Day Check-in Team

Opening day of camp is an exciting time! We need assistance during our check-in process to take temperatures, pass out t-shirts, answer basic questions, direct traffic, and welcome each camper with a big smile. Volunteers are needed from 3:45PM to 6:00PM on most Sundays in June and July.

Cost is \$10.00 per person. Call (317) 878-4400 to sign up today! Registrations close on May 11.

She also aids in documenting cultural experiences and knowledge. Kaitlin designs literacy programs and creates new materials for various language projects in PNG.

Serve Days

APRIL 20 • APRIL 27 • MAY 4 • MAY 11

Allendale consists of nearly 200 acres, 38 buildings, 10 shelters and over 2 miles of trails. They all need maintenance and upkeep. One of our core values is to provide a Safe, Interactive and Fun environment. To ensure that the camp is ready for the influx of kids each summer, we need a lot of help!

Join us for one or more of our Spring Serve Days, and help maintain our incredible indoor and outdoor environments. To sign up today, contact the camp office by phone (317-878-4400) or email mike@camp-allendale.org
